

Litigation Agenda for property division:

**Division of Assets**  
My real estate appraiser expert is right and yours is wrong  
My business valuation expert will prove yours wrong  
My forensic accountant will prove you misappropriated money  
My forensic accountant will prove that you should be responsible for the debts  
My forensic accountant will testify that the money to buy the house was my separate money;  
My forensic accountant will prove that the business is mine and that its value grew because of the market and that you are not entitled to any part of my business.  
My forensic accountant will show that the business in community and it grew from your efforts and so it is community which means half of it is mine.

Estimated time spent: 1 to 2 YEARS

Collaborative agenda for property division

**We will equitably divide family assets and debts**
